PROFESSIONAL EXPERIENCE

Nexia International - Lahore, PK (2022 - Present)

Audit Supervisor (Jan 2025 - Present)

Audit Senior (Feb 2024 - Dec 2024)

Senior Audit Associate (March 2023 - Jan 2024)

Audit Associate (Jan 2022 - Feb 2023)

Nishat Linen (Private) Limited

Accounts Department Intern (Sep 2021 - Nov 2021)

ROLES AND RESPONSIBILITIES

- Supervised audit teams by planning and assigning work, providing **supervision**, training, and motivation to ensure timely completion of audit fieldwork, while proactively communicating engagement progress to managers and partners for timely reviews and deliverables.
- Developed risk-based **audit plans** and strategies, evaluated internal control systems, identified weaknesses, and recommended actionable improvements to enhance operational effectiveness.
- Prepared and reviewed **financial statements** in compliance with IFRS and local legal requirements, ensuring accuracy, adherence to standards, and delivering insights for informed decision-making.
- Fostered strong **client relationships** by providing expert advice on legal and financial reporting changes, ensuring project completion within agreed timelines and addressing client needs effectively.
- Presented **key findings** and recommendations to senior management and executive meetings, contributing to strategic decision-making and annual report preparation.
- Developed and implemented **Standard Operating Procedures (SOPs)** for the finance and HR department, streamlining processes for improved efficiency and compliance.
- Served as **liquidator** for an e-commerce company, responsible and directly reporting to the CFO for managing cash flow, payments to critical vendors, and overseeing remaining inventory and fixed assets, while coordinating with external auditors for the finalization of financial statements.

ACCOMPLISHMENTS

- Executed consolidations for group clients in compliance with **IFRS 3** and **IFRS 10**, enhancing reporting accuracy and meeting regulatory standards by eliminating redundancies and meeting deadlines.
- Attended **IFRS 17** training, mastering risk adjustment calculations such as value at risk, scenario value at risk, and margin for adverse deviation, deepening expertise in IFRS principles and requirements.
- Implemented **IFRS 16** for key clients, identifying lease contracts, measuring lease liabilities, and recognizing lease-related assets and expenses to ensure compliance and improve financial reporting.
- Improved financial reporting accuracy by applying **IFRS 9**, particularly the ECL methodology, to assess and provision potential credit losses in line with regulatory requirements.

- Implemented **IFRS 15** for accurate revenue recognition, utilizing a five-step model to enhance financial reporting and ensure regulatory adherence.
- Conducted **financial audits** for high-profile clients including Insurance, Leasing, Investment, Textile, Manufacturing, Oil and Gas, Services and Trading sectors using MS Office, Oracle and Power BI.
- Conducted **HR, IT and forensic audits** to identify cash embezzlements, non-compliance with policies, and fraudulent activities, providing actionable insights to address irregularities and strengthen internal controls.
- Spearheaded and presented to the board a **Business Process Reengineering (BPR)** initiative for one of the largest retail company, leading a team to optimize processes and deliver transformative business solutions.
